## THAW'S CASE IS UP IN PITTSBURG

Judges Refuse Immediate Consideration of His Own Petition.

ASKING FOR MONEY

Case Will Be Argued before the Entire Bench of the Orphans' Court.

(BY ASSOCIATED PRESS) PITTSBURG, Pa., Aug. 30.—Judge J. J. Miller and Judge Thomas P. Trimble today in orphans' court here, refused immediate consideration of a petition filed by counsel for Harry K. Thaw and asking that his trustee, the Fidelity Title and Trust Company, of Pittsburgh, be permitted to pay him \$10,000 of the \$600,000 of his estate.

"This court will take judicial notice that the petitioner is adjudged insane in New York and we cannot see how we can make any decree in this case in view of his standing in the sister state," said Judge Miller.

The application will be argued before the entire bench of the orphans' court next week when the regular argument list is taken up.

George H. Calvert, of counsel for Thaw, made it plain during his presentation of the petition that a part of the money desired was to be used by Thaw in having the court of Allegheny county pass upon the question of his sanity and the remainder was to pay the lawyers now working in Thaw's behalf in Canada.

## HARRY THAW

Will Be Brought into Court Tuesday on a Writ of Habeas Corpus.

SHERBROOK, Quebec, Aug. 30.—Harry K. Thaw will again be produced in court here Tuesday on a writ of habeas corpus obtained today on behalf of Chief of Police Boudreau, of Coaticook, who arrested him after his flight from Matteawan.

Superior Judge Hutchinson granted the writ on the application of Samuel Jacobs, chief counsel for the New York state interests. It was an eleventh hour move taken to defeat Thaw's lawyers, who had succeeded in keeping him in jail safe from the immigration authorities. Those of the Thaw lawyers who were in town bitterly opposed the application but Judge Hutchinson said he would thresh the matter out in open court next Tuesday morning.

W. T. Jerome, who worked out this latest attack, was jubilant. He hopes that this writ will be sustained and that Tuesday Thaw will be in the hands of the department

## TOLL OF FIREWORKS NOW MUCH SMALLER

From Fourth of July Celebrations the Medical Journal Shows.

(BY ASSOCIATED PRESS) CHICGO, Ill., Aug. 30.—Thirty-two persons died this year in Fourth of July celebrations, which is fewer than any year since statistics began recording the toll of fireworks. Figures gathered by the Journal of the American Medical Association and published today compare this total with that of 466 in 1903, the first year the association counted the victims, and gave rise to the prediction that the annual orgy of death and destruction soon will cease.

Of this year's victims, thirteen, most of them little girls, were burned to death when their clothing caught fire. Two of these accidents were caused by supposedly harmless snapper matches.

The non-fatal injuries this year were 1,131 as against 947 in 1912 and 3,983 in 1903.

## DOG DENTAL WORK.

GRAFTON, Aug. 30.—Dr. N. E. Shal performed the only piece of dental work ever known here today on his prize collie dog on which he put a gold crown to a tooth. The dog broke a tooth in a fight with another dog. He objected strenuously to the proceeding until the dentist finished but is now going about as usual.

Mrs. Eckland tied a stout cord to the tooth and pulled so vigorously that the tooth came out, striking her in the right eye. She was brought to a hospital here today but specialists say her sight has been destroyed.
